A report on "Blood Donation and Health Check-up Camp"

Place: ATME College of Engineering, Mysuru

Date: 8th April 2026

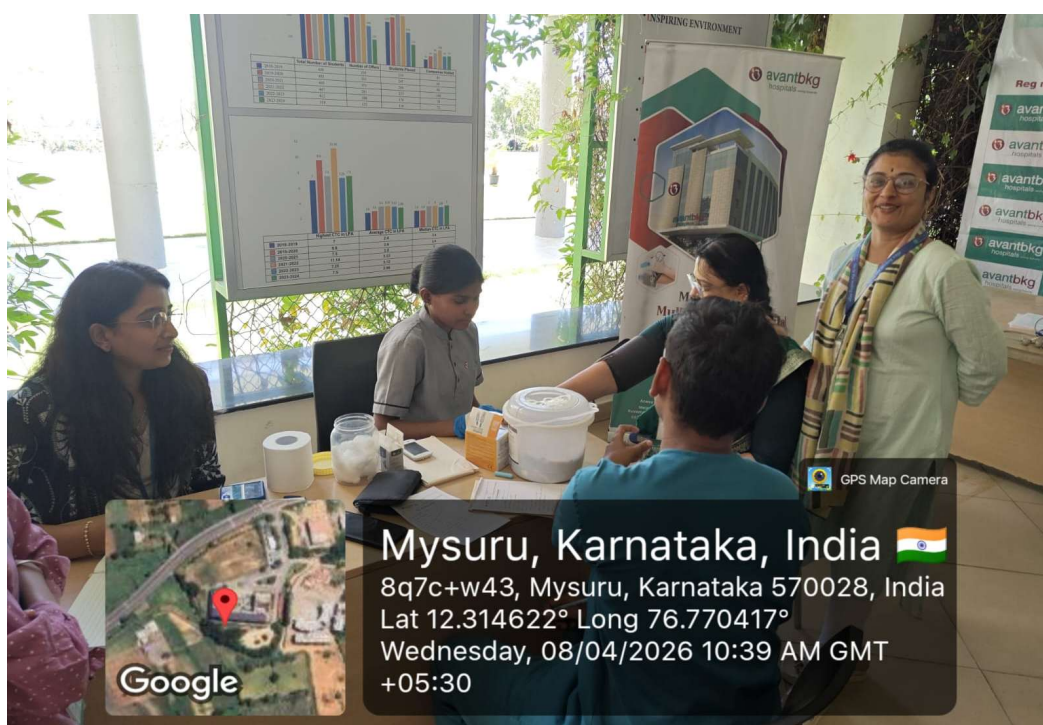

The NSS Unit of ATME College of Engineering (ATMECE), in association with Lions Blood Centre Jeevadhara, Avant BKG Hospital, Farooqia Dental College & Hospital, and ASG Eye Hospital, Mysuru, successfully organized a **Blood Donation Camp – "Heroes of Life"** along with a **Free Health Check-up Camp** as part of ATMEYA-2K26 on **8th April 2026**. The event was conducted from **9:30 AM to 3:00 PM** at the **Admin Block** of the college.

The programme aimed to promote the spirit of social responsibility and encourage voluntary blood donation among students and staff. Simultaneously, a free health check-up camp was organized, offering screening services for **blood pressure (BP), diabetes, dental health, and eye health**.

NATIONAL SERVICE SCHEME

The event witnessed an enthusiastic response from the college community. **Around 58 students voluntarily donated blood**, making a valuable contribution towards saving lives. In addition, **approximately 235 students and staff members** availed themselves of the free health screening services, benefiting from medical consultations and preventive health assessments.

The camp was successfully conducted with the support of the participating healthcare organizations, NSS volunteers, faculty coordinators, and the college management. The initiative created awareness about the importance of regular health check-ups and voluntary blood donation while reinforcing the values of community service and humanitarian responsibility among the participants.

The programme concluded successfully with appreciation for all the donors, medical professionals, volunteers, and participants who contributed to the success of this noble initiative.
