

NATIONAL SERVICE SCHEME

A report on “World No Tobacco Day”

Place: ATME College of Engineering, Mysuru

Date: 31st May 2026

The National Service Scheme (NSS) Unit of ATME College of Engineering, Mysuru, in association with Radio Mirchi 104.8 FM, successfully organized the **World No Tobacco Day Awareness Programme** on **31st May 2026** at **10:00 AM** in the college premises. The programme was conducted with the objective of creating awareness among students about the harmful effects of tobacco consumption and encouraging them to adopt a healthy, tobacco-free lifestyle. The event witnessed enthusiastic participation from NSS volunteers, faculty members, and students from various departments.

The programme commenced with a brief inaugural session highlighting the significance of observing World No Tobacco Day. Representatives from Radio Mirchi 104.8 FM addressed the gathering and explained the serious health, social, and economic consequences of tobacco use. Through engaging presentations and interactive discussions, students were educated about the dangers of smoking, chewing tobacco, and passive smoking. The resource persons also emphasized the importance of making informed lifestyle choices and motivated students to become ambassadors of a tobacco-free society by spreading awareness among their families, friends, and the community.

NATIONAL SERVICE SCHEME

As part of the awareness campaign, various student engagement activities were conducted to reinforce the anti-tobacco message. NSS volunteers actively participated in interactive sessions, awareness campaigns, and slogan-sharing activities highlighting the theme of World No Tobacco Day. An anti-tobacco pledge was administered to all participants, wherein students pledged to abstain from tobacco use and to educate others about its harmful effects. The programme created an impactful learning experience and encouraged students to take responsibility for promoting healthier communities.

The event concluded with a vote of thanks by the NSS Programme Officer, who appreciated the valuable support extended by Radio Mirchi 104.8 FM, the college management, faculty members, and NSS volunteers in making the programme a success. Around **250 students**, including **80 NSS volunteers**, participated in the programme. The awareness initiative effectively conveyed the importance of preventing tobacco use and inspired students to contribute towards building a healthier, tobacco-free society.
