A report on “Walkathon” by FIT Mysuru

Place: Open Air Theatre, University of Mysore

Date: 11th January 2026

The NSS Unit of ATME College of Engineering actively participated in the **Fit Mysuru Walkathon 2026**, organized by **Fit Mysuru** in association with the NSS Unit of ATMECE on **11th January 2026** at the **Open Air Theatre, University of Mysore**. The event was conducted with the objective of promoting physical fitness, healthy living, and social well-being among the youth and the general public. The programme commenced in the early morning hours and witnessed enthusiastic participation from students, faculty members, NSS volunteers, government officials, and citizens from various parts of Mysuru. Around **320 students from ATME College of Engineering** participated in the walkathon, reflecting their commitment towards fitness, discipline, and community engagement. The inaugural session emphasized the importance of maintaining a healthy lifestyle through regular physical activity and encouraged participants to adopt fitness as a daily habit.

NATIONAL SERVICE SCHEME

Following the inauguration, the participants embarked on the walkathon route through the scenic and tree-lined roads of Mysuru. The event created a vibrant atmosphere as thousands of participants walked together to spread awareness about health, wellness, and the benefits of an active lifestyle. The NSS volunteers of ATMECE played a significant role in coordinating the students, maintaining discipline, and ensuring the smooth conduct of the programme. The walkathon not only promoted physical fitness but also fostered a sense of unity, teamwork, and social responsibility among the participants. Students had the opportunity to interact with people from diverse backgrounds and contribute to a meaningful community initiative.

The programme concluded at the Open Air Theatre with a valedictory gathering, where the organizers appreciated the enthusiastic participation of the students and volunteers. The event served as an effective platform for creating awareness about fitness and encouraging healthy practices among young people. The active involvement of approximately 320 students from ATMECE demonstrated the institution's dedication towards holistic student development and community service through NSS activities. Overall, the Fit Mysuru Walkathon 2026 was a grand success, inspiring participants to embrace healthy living and contribute positively towards building a fitter and healthier society.
