A report on “Chiguru” by Youth for Seva

Place: VVCE, Mysuru

Date: 8th February 2026

The NSS Unit of ATME College of Engineering actively participated in “Chiguru 2026”, a talent and cultural event organized by the Mysuru Chapter of the organization Youth for Seva on 8th February 2026 for Government School children. In response to the request received from Youth for Seva, 15 NSS student volunteers from ATME College of Engineering extended their support in organizing and conducting the event successfully. The volunteers were divided into four groups, each assigned specific responsibilities such as registration, participant guidance, event coordination, stage management, and logistical support. Their enthusiastic involvement contributed significantly to the smooth execution of the programme.

The event witnessed an overwhelming response, with approximately 900 students from various Government Schools across Mysuru and nearby regions participating in a wide range of cultural and talent-based competitions. The programme provided a valuable platform for school children to showcase their skills in singing, dancing, drawing, storytelling, and other creative activities. NSS volunteers played a crucial role in assisting participants, coordinating

competition venues, managing the movement of students, and ensuring discipline throughout the day. Their teamwork and dedication helped create a welcoming and organized environment for all participants.

The event was a grand success and reflected the spirit of community service and social responsibility among the NSS volunteers. Through their participation, the students gained valuable experience in event management, leadership, communication, and teamwork. The programme also strengthened the collaboration between the NSS Unit of ATME College of Engineering and Youth for Seva in promoting educational and cultural development among Government School children. The organizers appreciated the sincere efforts and commitment displayed by the NSS volunteers, making Chiguru 2026 a memorable and impactful event for all stakeholders involved.
