Report on Social Outreach Program

Venue: Government Higher Primary School, Adi Jambava, Gandhi Nagar, Mysuru

Dates: 16th July 2025 & 28th July 2025

Introduction

As part of the **AICTE Activity initiative**, the UDGHAM Club organized a two-day outreach program at *Government Higher Primary School, Adi Jambava, Gandhi Nagar, Mysuru*.

The theme of the activity was:

“Contribution to any National Level Initiative of Government of India (Digital India / Skill India / Swachh Bharat Internship)”.

The main objective of the event was to create awareness among school students about the importance of national-level initiatives and to inspire them through interactive learning activities.

Fig 1: Addressing school students

Participants

- **Organizing Team:** UDGHAM Club
- **Supporting Students:** 4th & 6th Semester students
- **Faculty Coordinators:**
 - Mrs. Keerthana M. M.
 - Mrs. Shilpa
- **Collaborating Organization:** *Agastya Foundation* (with science models)
- **Beneficiaries:** Students of *Government Higher Primary School, Adi Jambava*

Event Schedule & Activities

Day 1: 16th July 2025

- The UDGHAM team, along with 4th and 6th semester students, conducted activities based on **Digital India, Skill India, and Swachh Bharat** initiatives.
- Students were divided into **10 groups**, each group carrying out different activities **alternatively** to ensure participation of all school students.
- Faculty coordinators, **Mrs. Keerthana M. M.** and **Mrs. Shilpa**, were present to guide the event.
- Collaboration with the **Agastya Foundation** brought an additional dimension, where science models were introduced and explained to the school students, making the session interactive and engaging.

Day 2: 28th July 2025

- On the second day, the event was coordinated exclusively by the **UDGHAM members** and other supporting students.
- Activities similar to the first day were repeated **alternatively**, ensuring that every student actively participated and learned from the sessions.
- The focus remained on connecting **Government of India initiatives** with **practical demonstrations and interactive learning**.

Fun Activities

Along with academic sessions, the UDGHAM team also organized **fun and interactive activities** to keep the school students engaged and motivated. These included:

- Group games and puzzles
- Quiz sessions related to Digital India, Skill India, and Swachh Bharat themes
- Creative drawing and storytelling competitions
- Motivational interactions with students to boost confidence

These fun activities helped to build rapport with the students, ensured maximum participation, and created a positive and joyful learning atmosphere.

Outcomes

- School students gained **awareness and knowledge** about national initiatives such as **Digital India, Skill India, and Swachh Bharat**.
- Hands-on demonstrations using **Agastya Foundation's science models** helped improve scientific thinking among the students.
- The program enhanced **teamwork and leadership skills** among UDGHAM members and semester students.
- The collaboration between the UDGHAM Club, faculty coordinators, and the Agastya Foundation ensured the event's success.

Conclusion

The two-day AICTE activity conducted under the UDGHAM Club at Government Higher Primary School, Adi Jambava, was a **successful outreach initiative**. It not only created awareness about Government of India's flagship programs but also encouraged school students to actively participate in nation-building initiatives. The enthusiastic response from the school students and the collaborative efforts of faculty, UDGHAM team members and the Agastya Foundation made the event memorable and impactful
